Dear Religious School Parents,

It's hard to believe how quickly this year has come to an end. With another eventful year behind us, it's time to look forward to the 2018-2019 (5779) school year.

This upcoming year we have a lot to look forward to:

- **Modern Values Based Curriculum** - students in 4<sup>th</sup> through 7<sup>th</sup> grades will continue to be engaged in the new ShalomLearning curriculum which integrates videos and activities which enable students to learn about holidays, Jewish values, Israel, and Torah and how it relates to their everyday lives.
- **Family Education** - we are excited to bring in a family education specialist, who will lead activities during the year engaging entire families in the learning process and a project. All grades will have the opportunity to participate in one of these programs
- **New K'tanim ("little ones", grades K-1) Model** - Starting this fall, students in K'tanim (grades K-1) will be participating in family education model. Students in this class will meet on Sundays the second and fourth weekends of the month

This year we have moved to an electronic registration platform. Registration information can be found on our website ([www.am-echad.org/our-religious-school](http://www.am-echad.org/our-religious-school)), Please complete the registration form (direct link: <https://goo.gl/forms/gh62CADno3YKt8Ds1>) before the start of summer so preparation for the new year can begin.
